32. **The Zamorins of Calicut. By K.V. Krishna Iyyer.**
(from the earlier times down to A.D. 1806) “The story of the Zamorins of peculiar interest to all Europeans who have known Malabar: both because of the part those rulers played for centuries in that impact of the west on the east which has developed in to the politics of our own day, and also for a more personal reason. We foreigners who have lived and worked in Kerala hold ourselves to be singularly fortunate: what ever else India may come to mean for us, we remember with gratitude and affection the country and people whose civilisation is bound up with the dynasty of the Zamorins.” – J.A. Thorne.Esq., I.C.S. It is a book of historic relevance for the academic community. First Published by the author in 1938.
