Pauni,by far, is the greatest Archeological !catch of the department. It has unearthed one of the greatest Stupas of India, MUCH BIGGER THAN SANCHI, and has yielded conclusive evidence of a great Buddhist establishment, nestling in the sylvan retreat of the Buddhist monks. Pauni has established a great cultural link between the North and the South India. Besides ,it has yielded a number of beautiful sculptural pieces reminiscent of Sunga school of Art, together with a

large variety of coins ,as also information pertaining to ingenious to ingenious techniques adopted in the construction.
